OUR STORY

We began our story on september 5th, 1991. Today, "Pons" bakery spreads on 6000m2. It is divided into two parts, one is for making our products and the other is warehouse. Our company has 35 retail facilites in form of Coffee&Bakery and Bakeries.

Our production line has modern equipment that is still being developed. We invest a lot in new lines and new products.

CHOOSE THE BEST, FORGET THE REST!

- We are the largest producer of frozen, semi-baked products in Serbia
- A wide range of products is in our assortment – from basic to premium pastries, breads and pies
- We make our products from high quality ingredients, so we can satisfy all our customers demands
- We produce 30.000 frozen products in one shift
- Our production line has modern equipment that is still being developed
- We invest a lot in new lines and new products
- We are partners with supermarket chains, restaurants and 4 and 5 stars hotels in Serbia. Also, we export frozen semi-baked bakery products to international markets

SEMI - BAKED FROZEN PRODUCTS ARE READY FOR FURTHER PREPARATION **ACCORDING TO THE INSTRUCTIONS**

Semi-baked products are delivered frozen and must be stored at a temperature of -18C. After defrosting, this type of products must be fully baked in an oven before serving.
